CONSTRUCTION AND FEATURES

- Constructed of MTI's SculptureStone® material.
- Compatible with The Blake, tub model #240. Designed to install behind the tub. Secure to floor and wall using clear silicone, or secure to the wall through the rear brace of the unit. Fasteners not included.
- Accommodates deck-mount Roman tub faucetry, eliminating the need for a freestanding tub filler or nearby wall for installation of wall-mountable valve set.
- Up to 5 holes drilled with no additional charge. Must specify at the time of order.
- Available in white and biscuit. Color and finish match when ordered with The Blake tub model unless color is specified otherwise on order.
- Custom Integral Deck available for other Boutique Collection tub models. Contact MTI Baths for quote.
- Handcrafted in the USA.
