

Tile Flange

The Tile Flange option, available for SculptureStone® alcove tub models, ensures watertight installation between the tub deck and the surrounding wall area. Specify factory-installed flange at the time of order, or as a field-installation kit to be applied onsite.

Factory installed Tile Flange is bonded to the the sides of the tub as specified at the time of order.

<p><b>Standard Options and Accessories</b> NOTE: Part codes for all options listed in parenthesis.</p>
<p><b>Tile Flange / Factory Installed</b> 1 Side (TFK1) <b>\$175</b> 2 Sides (TFK2) <b>\$185</b> 3 Sides (TFK3) <b>\$200</b></p>
