ORDERING AND INSTALLATION

- Before ordering or installing, please consider future access to equipment.
- Integrated overflow with toe tap drain included.
- Air baths require job site preparations for remote mounting the blower and required check valve. Check valve must be installed higher than the rim of the tub.
- Waterproof remote control included. Keypad is shipped loose and may be mounted nearby.
- Faucet valves cannot be installed on this tub model.

• Before discarding tub packaging, check for accessories that may be packaged inside.  
• All product measurements are ±1/2".  
• Specifications and configurations are subject to change without notice.  
• Measurements herein supersede all others published prior to publication date below.

For more information on options and accessories  
go to Cosmopolitan Mineral Composite Tubs Options on [mtibaths.com](https://mtibaths.com)

- Blower & required check valve for airbath must be remote mounted
- Check valve must be installed higher than the rim of the tub.
